PLANNING YOUR ADVENTURE IN ALASKA'S ARCTIC

RESERVATIONS

Northern Alaska Tour Company can be reached at 907-474-8600 or 800-474-1986 five days a week between the hours of 9:00 AM and 5:30 PM during the winter. During the summer we can be reached 7:00 AM to 10:00PM, seven days a week. Or, send us a message: adventure@northernalaska.com. Due to Alaska's popularity and the nature of our high quality, small group excursions, it is very important to contact us early in the itinerary planning process especially during PEAK time periods. We are available to provide further, more detailed information regarding our excursions, and travel to/within Alaska's Arctic.

In order to make a reservation we would need the following information:

- Reconfirm the date and tour the reservation request is for
- Name of each guest – (If you are booking an Arctic Circle Adventure as you would like it to appear on your Arctic Circle certificate)
- Body Weight of each guest – we can take it in pounds, stones, or kilos (Not needed for any of the ground only tour experiences)
- Contact Information: Address, Phone Number and E-mail Address
- Hotel – while actually not required, we do like to know where you are staying the night prior to travelling with us so we can reach you if necessary
- Payment – we accept Visa and MasterCard. We would need the name on the card, number, expiration date, and the 3 digit code on the back of the card. Full amount is charged 7 days prior to the tour date.

WEATHER ALTERATIONS

Weather can cause delays or cancellations to all or part of your itinerary. If Northern Alaska Tour Company has to cancel your tour departure the tour will be 100% refundable or yes, we will work with you to see if there is another date/tour to reschedule to. If the weather requires us to alter the return method of travel from air to ground it will be done as an equal exchange of travel.

CANCELLATIONS

All Aurora and spring season adventures have a 7 Day Cancellation with the EXCEPTION of the Alaska Railroad Add-On (the Alaska Railroad Add-On is 80% refunded if cancelled outside 7 days prior to the tour date). We appreciate circumstances beyond your control may require you to cancel your reservation. If you feel you may need to cancel within the penalty period we would recommend you purchase travel insurance to cover any cancellations which may occur.

CHANGES

If you change your tour from a date within a cancellation period to a date outside of the cancellation period, it does become non-refundable. Fees will apply if you use one credit card, then ask to refund that credit card and use a different one (or multiple different credit cards).

Weather and other delays can affect your travel to Fairbanks for the start of your adventure with Northern Alaska Tour Company and it can affect your return to Fairbanks at the end of your Adventure with us. Because of this we highly recommend you arrive in Fairbanks the night prior to joining us and plan to stay in Fairbanks the day you return with us. If you have any questions on this please let us know.
