tour itinerary. Northern Alaska Tour Company strives  
to make each tour a unique and personalized tour  
experience. The exact schedule of each tour varies day  
-to-day and is dictated by the interests of the group  
and unique events of the day, not by a rigid pre-set  
itinerary.*

**SAFETY IN THE WILDERNESS**

It is important that travelers with Northern Alaska  
Tour Company understand that Alaska's Arctic is  
a truly remote wilderness region. Traveling  
through vast wilderness stretches requires  
adequate time and preparation. Weather or  
mechanical factors, albeit infrequent, can result in  
multi-hour delays. Medical facilities are limited.  
Limited communication and transportation  
infrastructure inherently cause evacuation for  
illness or other emergency situations to take, at  
the very best, several hours to conduct. For this  
reason, travelers to this region should be of  
reasonable health and physical condition.

*The Spirit of Alaska's Arctic*

*Alaska's Arctic is one of the last great  
wilderness regions on earth. It is a  
remote, wild, and sparsely populated land  
of vast wilderness expanses. Today's  
Arctic Circle Adventure® will be unlike  
previous travel you have encountered.  
Experiencing the expansive landscapes  
and fascinating cultures unique to Alaska's  
Arctic requires braving travel along the  
rugged Dalton Highway through remote  
country where the amenities common in  
today's modern world are rare or non-  
existent. Travel in Alaska's Arctic is  
always an adventure. Northern Alaska  
Tour Company prides itself in its  
reputation for providing a high-quality  
travel experience which "smooths out"  
the "rough edges" of travel in Alaska's  
Arctic. Yet it is the spirit of you the  
adventurer which is unquestionably the key  
to making the most of today's travel  
experience. Travel in Alaska's Arctic is  
not for everyone. If you are young at  
heart, adventurous, have a desire to learn,  
to explore new territories, and to seek out  
new experiences, then the rustic aspects of  
traveling in Alaska's Arctic will be of little  
consequence to you. You are certain to  
come away from today's experience with a  
deeper understanding of the culture,  
greater appreciation of the natural history,  
and wonderful memories of time spent in  
Alaska's Arctic. . . . . that is the spirit of  
Alaska's Arctic.*

Northern Alaska Tour Company is an Alaskan-  
owned tour operator based in Fairbanks,  
Alaska.

The company was founded in 1987 to provide  
unparalleled travel and touring experiences in  
Alaska's Arctic for guests while maintaining  
the highest standards of safety and  
commitment to traditional culture and the  
environment.

Our cooperative, grassroots tour programs  
strengthen the local economies in the  
communities and regions we visit and help  
preserve the wisdom of knowledgeable locals  
by recording and incorporating their  
knowledge into tour programs.

As our traveling guests learn of and experience  
firsthand the delicate, wondrous environment  
of Alaska's Arctic, they are able to appreciate  
and help protect it. When carried forth  
conscientiously, travel and touring can serve to  
protect the natural environment and preserve  
traditional culture where it may otherwise be  
destroyed.

In sharing our culture and environment with  
visitors, we as hosts, along with our guests are  
deeply enriched by the experience.....which is  
really what travel and touring is all about.
